

1     **Q.     Re: Non-Regulated Operations Report, Exhibit 7, p. 3**

2             Please indicate whether or not NLH has ever submitted electricity bills to any  
3             customers in Natuashish in each of the following categories:

- 4                 • Innu residential;
- 5                 • Innu non-residential;
- 6                 • Non-Innu residential;
- 7                 • Non-Innu non-residential;
- 8                 • Government of Canada;
- 9                 • MIFN; and
- 10                • Other.

11            For each affirmative answer, please provide the following information:

- 12               • The number of customers in the category billed by NLH
- 13               • The first and last billing dates for the category of customers (if they are not
- 14               ongoing)
- 15               • The total amount billed in the category
- 16               • The total amount outstanding in the category
- 17               • A sample bill for the category (with identifying information removed)

18  
19  
20     **A.**     Hydro does not own the electrical system in Natuashish; it operates it on behalf of  
21             the Mushua Innu First Nation (MIFN). Customers in Natuashish are not Rural  
22             Customers of Hydro. Hydro has never submitted electricity bills to any of those  
23             customer categories.
