

1 Q. **Re: Rates Schedules, page 35 of 47**

2 If residential domestic Innu customers in Natuashish are charged the same rate for
3 the First Block consumption as residential domestic customers in the Labrador
4 Isolated communities, at what date did this rate come to be charged to Natuashish
5 residential domestic Innu customers, or was it always the case (since the relocation
6 to Natuashish) that Innu residential domestic Innu customers were charged at this
7 rate?
