

1 Q. **Re: NLH Evidence, Section 2, page 2.48, section 2.6.3**

2 How and how frequently is electricity usage by residential customers in Natuashish
3 determined?

4

5

6 A. Electricity usage in the community of Natuashish is collected monthly by Hydro
7 from production data at the diesel plant, which is used for planning purposes.
8 Customers are not billed directly by Hydro.
