

1 Q. Re: Diesel Plant Fire Protection Study Final Report, March 2012, Prepared by  
2 Hatch Ltd., filed in NLH's response to RFI PUB-NLH-26 in NLH's 2013 Capital  
3 Budget application

4 Why does this report list the diesel plant in Natuashish as being owned by NLH?

5

6

7 A. This report, which was intended to address diesel plants owned or operated by  
8 Hydro, incorrectly references the Natuashish diesel plant with the other plants  
9 owned by Hydro. In fact, this facility is owned by the Mushuau Innu First Nation  
10 (MIFN).
