

1 Q. **Re: Diesel Plant Fire Protection Study Final Report, March 2012, Prepared by**
2 **Hatch Ltd., filed in NLH's response to RFI PUB-NLH-26 in NLH's 2013 Capital**
3 **Budget application**

4 Is the diesel plant in Natuashish listed as being owned by NLH in any other
5 documents? If yes, please provide copies of those documents.
6

7
8 A. Hydro is unaware of any documents that list the diesel plant in Natuashish as being
9 owned by Hydro, with the exception of the Hatch Report, that lists ownership by
10 Hydro in error. The diesel plant in Natuashish is owned by the Mushuau Innu First
11 Nation (MIFN) and Hydro is operating the facility on their behalf.
