

1 Q. **Re: NLH Evidence, Section 4, page 4.10, lines 8-13**

2 Please clarify if the deferred 15% rate increase applies to all rural Domestic and
3 General Service customers, or only to those in isolated systems.

4

5

6 A. The deferred 15% rate increase applies only to the Domestic non-lifeline rates and
7 to General Service customers on the Labrador Isolated and Island Isolated Systems.
