

1 Q. **Re: NLH Evidence, Section 1.1.2, p 1.2**

2 Does NLH own all of the transmission and distribution assets it uses to supply  
3 electricity to NLH's customers? If not, please provide a list of transmission and  
4 distribution assets that are owned by other entities, specifying the entity that owns  
5 each of the assets.

7

8 A. Hydro does not own all of the transmission and distribution assets it uses to supply  
9 electricity to its customers. The following table summarizes the transmission and  
10 distribution assets owned by others that are utilized to supply Hydro's customers.

Transmission/Distribution Asset	Asset Owner	Hydro Customer
66 kV Line L1	Corner Brook Pulp and Paper	Newfoundland Power
138 kV Line 363L Seal Cove Road Substation	Newfoundland Power	Hydro Rural
Springdale 25 kV feeder	Newfoundland Power	Hydro Rural
Cobb's Pond Substation, 66 kV lines 142L and 114L	Newfoundland Power	Hydro Rural
Monkstown 138/25 kV transformer	Newfoundland Power	Hydro Rural
Bay L'Argent 138/25 kV transformer	Newfoundland Power	Hydro Rural
230 kV lines L2303 and L2304 Wabush Terminal Station	Twin Falls Power Corp	Hydro Rural
