

1 Q. **Re: NLH Evidence, Section 2, Schedule IV**

2 Have the electricity generation and distribution assets in Natuashish ever been
3 included in Hydro's rate base?

4 Were the electricity generation and distribution assets in Davis Inlet included in
5 Hydro's rate base?

8 A. As Hydro does not own the electricity generation and distribution assets in
9 Natuashish, they have never been included in Hydro's rate base. The Davis Inlet
10 electricity generation and distribution assets were owned by Hydro, and were
11 therefore included in Hydro's rate base.
