

1 Q. **Cost of Service Study**

2 **Re: Amended Application, p. 4.5, lines 19-22**

3 Citation:

4 Because of these changes, Hydro believes it is necessary to have a Cost of
5 Servicemethodology review process completed prior to the inclusion of
6 costs reflecting the Labrador-Island Interconnection in rates.

7 Please indicate when Hydro intends to initiate such a review.

8

9

10 A. Hydro plans on filing a report providing a review on the Cost of Service
11 methodology no later than 2016.
