2 In IN-NLH-069, Hydro stated that it provides Project Execution and Technical Service
3 services to Labrador Isolated customers.

4 To the best of Hydro's knowledge, does anyone provide Project Execution and
5 Technical Service services to residents of Natuashish? If so, please detail who, and
6 describe what kind of services are provided.

9 A. Hydro's staff, primarily based in its head office, provides Project Execution and
10 Technical services to MIFN. These Project Execution and Technical services can
11 pertain to capital upgrades, replacements or maintenance works pertaining to
12 MIFN's electrical system in Natuashish.
