

1 Q. For the years 2007 to 2013 please provide estimates of annual spill from the Deer
2 Lake hydro facility.

3
4
5 A. The Deer Lake hydro-electric facility is customer owned and generates power and
6 energy to supply Corner Brook Pulp and Paper Limited's (CBPP) paper making
7 operations. The data regarding annual spill from the Deer Lake hydro facility is
8 compiled by the customer. Following are the spill amounts from the Grand Lake
9 reservoir for the period 2007-2013, as provided by the customer.

Table 1

Year	Spill (millions m³)
2007	0
2008	0
2009	0
2010	0
2011	204
2012	0
2013	147
