

1    Q.    Over the fiscal years 2013-14 to 2014-15, what expenditures have been made by  
2           Newfoundland and Labrador Hydro (supported by provincial government programs  
3           or within the utility's budget) to promote energy efficiency in Nunatsiavut?

4

5

6    A.    Please refer to Hydro's response to IN-NLH-012 and IN-NLH-240 for Hydro's  
7           expenditures on energy efficiency programs that are specific to isolated diesel  
8           communities, including communities in Nunatsiavut. In addition to the programs  
9           specific to isolated diesel communities, the programs listed in Hydro's response to  
10          IN-NLH-013 are also available to customers in isolated diesel communities who  
11          meet the eligibility requirements. Please refer to Hydro's response to IN-NLH-015  
12          for the eligibility requirements.
