

1 **Q.** **In Hydro's 2015 CBPP Capacity Assistance Report filed with the Board on April 15,**
2 **2015, it is provided on page 4 in Table 1 that Hydro incurred capacity assistance**
3 **costs of \$1,752,000 from Corner Brook Pulp and Paper for the 2014-2015 Winter**
4 **Season.**

5 Please provide a calculation of the capacity assistance cost of \$1,752,000 on a per kW
6 basis.

7 **A.** Per the Capacity Assistance Agreement signed by Hydro and CBPP, and provided in
8 PUB-NLH-461 Attachment 1, the cost per kW is set at \$28 per winter or \$1,680,000 for
9 2014-15 winter season. Per Table 1 of the 2015 CBPP Capacity Assistance Report
10 referenced above, \$72,000 portion of the \$1,752,000 was for a variable portion of the
11 payment.
