

- 1    Q.    Further to response to Request for Information NP-NLH-117:  
2           Please explain why non-program CDM costs for the Island Interconnected System  
3           are not fully allocated between Hydro's Rural and Industrial Customers?  
4  
5  
6    A.    Non-program CDM costs for the Island Interconnected System are allocated among  
7           Hydro's Wholesale, Rural and Industrial Customers because fuel savings that are  
8           associated with those costs benefit all customers.
