

- 1    Q.    Further to response to Request for Information NP-NLH-011:
- 2           Does Hydro believe it would be reasonable to adjust the 2013 Test Year forecast
- 3           and use the forecast Holyrood conversion factor for 2014 to better reflect the cost
- 4           of providing service for the period that customer rates will be in effect? If not, why
- 5           not?
