8 Corporate service positions are reviewed periodically to align employee home base  
9 assignments to the line of business where they predominately charge their time.

11 In 2014, the Finance group for Hydro was restructured. The reorganization resulted  
12 in the transfer of several positions from Nalcor Finance to Hydro Finance and the  
13 addition of several new positions, including a General Manager position dedicated  
14 to Finance and Regulatory for Hydro. Hydro's response to PUB-NLH-138  
15 Attachment 1 (Revision 1), Page 5 of 26, reflects this new structure.

17 Positions within Hydro Finance primarily perform Hydro related work. Any work  
18 performed for other lines of business is charged out directly to the respective line of  
19 business, as described in Exhibit 8 of the Evidence to Hydro's Amended Application.
