

- 1 Q. Further to response to Request for Information NP-NLH-084, Attachment 1:
2 In its response to Request for Information NP-NLH-084, Hydro provided a
3 breakdown of the \$9.1 million estimated savings from position transfers to Nalcor
4 from 2008 to 2013. No new positions created by Hydro were indicated in the
5 breakdown.
6 Please confirm that Hydro did not hire *any* new employees or fill *any* new positions
7 as a result of the positions transferred from regulated Hydro to Nalcor from 2008 to
8 2013. If Hydro is unable to provide the confirmation requested, please recalculate
9 Attachment 1 to include all positions hired in Hydro for similar functions.

- 12 A. Hydro hired one position in late 2011 in a similar function as the positions
13 transferred to Nalcor. The impact of this position will not materially change the
14 estimated savings of \$9.1 million.
