

1 Q. Further to the response to Request for Information CA-NLH-108 (Revision 1, Nov
2 28-14):

3 In relation to the consulting costs and GRA and Board related costs included in the
4 2014 and 2015 test years, please provide the names of all third party consultants
5 that Hydro has engaged, or expects to engage, and the amounts paid, or expected
6 to be paid, to each.

7

8

9 A. Please refer to NP-NLH-322 Attachment 1, page 1 of 2 for the breakdown by names
10 of third parties and amounts paid for consulting costs and NP-NLH-322 Attachment
11 1, page 2 of 2 for the breakdown by names of third parties and amounts paid for
12 GRA and Board related costs.

13

14 With respect to future forecast by vendor and amounts expected to be paid to
15 each, in many cases, Hydro has not yet entered into these arrangements. As such,
16 in order to ensure that Hydro is able to obtain the best value in relation to services
17 it procures, that information will not be provided.
