

1    Q.    When will Hydro be presenting further evidence regarding the stabilization of costs  
2           relating to the fuel conversion rate? (Volume I, Section 2: Regulated Activities, page  
3           2.75, lines 10 to 12)

6    A.    On January 14, 2015, Hydro provided a revision to page 2.75 of Hydro's Regulated  
7           Activities Evidence (Section 2) and Schedule IX, which proposes a deferral account  
8           that provides for the stabilization of Holyrood fuel costs that result from variations  
9           in the fuel conversion rate. The justification for the proposal of a deferral account is  
10          provided on page 2.74 to 2.76 of the Evidence to Hydro's Amended Application.
