

1 Q. Further to the response to Request for Information CA-NLH-270 (Revision 1, Nov
2 28-14):
3 Please provide an update to this response. The updated response should indicate
4 whether 2016 remains the planned date for the transfer of the Exploits assets to
5 Hydro and, if so, when this transfer is scheduled to occur. The updated response
6 should outline all actions taken by Hydro in relation to this matter, including any
7 discussions or written correspondence with Government.

8

9

10 A. Discussions on these matters are ongoing with Government. An update will be
11 provided in due course.
