

1    Q.    Further to the response to Request for Information CA-NLH-270 (Revision 1, Nov  
2           28-14):

3           Please outline any circumstances under which (i) the assets would not be  
4           transferred by 2016, or (ii) the assets would not be transferred to Hydro at all.

5

6

7    A.    Hydro is in regular contact with Department of Natural Resources and discussions  
8           on the transfer are proceeding. Hydro is targeting the beginning of 2016 to  
9           complete the transfer of assets. An update will be provided in due course.
