

- 1 Q. Further to the response to Request for Information NP-NLH-329:
2 Please complete the following table:
3

Holyrood No. 6 Fuel Heating Content (2001-2014)			
Time Frame	Sulphur Content	Average Heating Content (BTU/US gal)	% Difference in Average Heating Content (%)
January 2001 to December 2005 (A)	2.0%		0%
January 2006 to January 2009 (B)	1.0%		(B/A) x 100%
February 2009 to December 2014 (C)	0.7%		(C/A) x 100%

- 4
5
6 A. Please see the completed table below. The Average Heating Content for each of the
7 periods is the weighted average as provided in Hydro's responses to NP-NLH-338
8 and NP-NLH-379.

Holyrood No. 6 Fuel Heating Content (2001-2014)			
Time Frame	Sulphur Content	Average Heating Content (BTU/US gal)	% Difference in Average Heating Content (%)
January 2001 to December 2005 (A)	2.00%	153,600	0%
January 2006 to January 2009 (B)	1.00%	154,400	0.52%
February 2009 to December 2014 (C)	0.70%	152,900	-0.46%
