

1    Q.    How much of the costs incurred by Hydro for its 2014-2015 winter readiness  
2           advertising campaign in 2014 and 2015 has Hydro included in its 2014 and 2015  
3           Test Years? If any such costs are included, please justify why such costs should be  
4           borne by customers.
