

1 Q. [J.W. Wilson Evidence, page 1]  
2

3 **Does Dr. Wilson believe that the use of marginal cost pricing signals ought to apply**  
4 **to all customers served by Hydro, including isolated customers and customers on the**  
5 **Labrador interconnected system?**  
6

7  
8 A. To the extent feasible, marginal cost price signals are desirable for all customers in order  
9 to achieve economically efficient consumption decisions. Also see Response to NP-  
10 PUB-024.
