

1 Q. [Response to Request for Information NP-NLH-402]
2

3 **Hydro has stated that the marginal costs of supply for the Labrador interconnected**
4 **system will be similar to the marginal costs of supply for the Island interconnected**
5 **system once the Labrador-Island interconnection is complete. Does Dr. Wilson**
6 **share this view? Please explain.**
7
8

9 A. Dr. Wilson has not studied this question. However, if, as seems reasonable, the costs of
10 the Labrador interconnection are attributed largely to serving Island loads, there may be
11 differences.
