

1 Q. **2013 General Rate Application, Rates**

2 Using the information in PUB-NLH-70, what impact on rates to Newfoundland
3 Power customers is forecast to occur as a result of any changes in the RSP forecast
4 for January 1, 2015?

5

6

7 A. As noted in the response to PUB-NLH-70, the RSP adjustment effective January 1,
8 2015 will have no impact on Newfoundland Power, and therefore its customers, as
9 it is applicable to Industrial Customers only. The forecast rate impact on
10 Newfoundland Power customers of the RSP adjustment effective July 1, 2015 is
11 provided in the response to PUB-NLH-73.
