

1 Q. **2013 General Rate Application, Non-Regulated Operations**

2 Does Hydro perform any services in relation to the ownership and operation of the
3 Menihek Power Plant? If yes, describe the services.

4

5

6 A. Yes, Hydro provides service in relation to the ownership and operation of the
7 Menihek power plant. Services include:

- 8 • Engineering and design support;
- 9 • Accounts payable and general accounting;
- 10 • Procurement activities;
- 11 • Environmental oversight; and
- 12 • Billing and collection.

13

14 Labour associated with the provision of these services is charged in accordance with
15 the Intercompany Transaction Costing Guidelines. In addition, Menihek is allocated
16 a portion of the Admin fee to cover services provided by Human Resources, Safety
17 and Health, Information Systems and building related costs.
