

1 Q. **2013 General Rate Application, Intercompany Transaction Costing Guidelines –**  
2 **Exhibit 8**

3 Page 3, lines 8-12 - Describe any anticipated additions to or subtractions from the  
4 responsibilities and activities of Hydro's Safety and Health department in 2013 to  
5 2015.

6

7

8 A. As Hydro continues to increase its activities involving capital work and operating  
9 projects, it is anticipated that support from the Safety and Health Department will  
10 increase as well. Additional oversight is anticipated to support the Regulated  
11 Operations with the development, implementation and auditing of various  
12 occupational health and safety programs and processes.
