

1 Q. Further to the response to PUB-NLH-145 did Hydro or its external consultant
2 complete a review or survey of practices of others to determine industry standards
3 regarding intercompany transactions? If yes, provide all information and
4 documentation on such review or survey, including the companies reviewed and
5 the information provided by such companies.

6

7

8 A. An industry scan of four peers was conducted to provide directional feedback and
9 was communicated based on the condition of anonymity. The available detail is
10 documented in NP-NLH-024 Attachment 1, Page 22, Figure 14.
