

1     Q.     Further to the response to NP-NLH-024, Attachment 1, page 24, in which  
2           information is provided on intercompany transactions of certain utilities, state  
3           whether corporate executive services such as the Chief Executive Officer and Vice  
4           President of Finance are shared in the utilities that participated in the review, other  
5           than Hydro. If yes, describe in detail the executive services shared, the basis for  
6           sharing and the percentage of time of each executive spent annually on the  
7           business of the regulated utility.
