

1 Q. 2013 Amended General Rate Application, November 10, 2014, page 2.8: It is stated
2 that no further correspondence was received from Government regarding its
3 intention to transfer the ownership of Exploits generation to Hydro since a letter
4 dated December 2, 2013. Has Hydro had any discussions with the Government
5 regarding Government's intentions and the timing of any transfer? If yes, provide
6 details of these discussions. If no discussions have occurred, explain why Hydro has
7 not sought clarification on the terms for the supply of this generation.

8
9
10 A. Hydro is in regular contact with Department of Natural Resources and discussions
11 on the transfer are proceeding. Hydro is targeting the beginning of 2016 to
12 complete the transfer of assets.
