2           3.14: Explain why Hydro initially pays for expenses related to Nalcor's annual report  
3           and annual meeting expenses.  
4  
5  
6    A.    Costs which are initially paid by Hydro are allocated across the lines of business as  
7           appropriate. The majority of the costs associated with Nalcor's annual report and  
8           the annual meeting are not initially paid by Hydro.
