5  
6     A.     As outlined in Footnote 2 in Hydro's response to PUB-NLH-200 Attachment 1  
7             (Revision 1, Nov 28-14), the square footage changed in 2012 to include an  
8             allocation of common space, such as meeting rooms and the cafeteria, among the  
9             lines of business. Prior to 2012, the rate was based on occupied space only and  
10            excluded an allocation for common space.
