

1 Q. Further to PUB-NLH-452, state Hydro’s position as to whether the approved
2 allocation methodology has resulted, in its opinion, in an “unfair” allocation of the
3 Rural Deficit to customers since it was approved in 1993 and if yes, explain why
4 Hydro did not apply with earlier applications for the methodology to be reviewed.

5

6

7 A. Please see Hydro's response to NP-NLH-407.
