

1 Q. Please complete the following table

Estimated CDM Expenditures for the Island Interconnected System

<u>Year</u>	<u>Total Costs</u>
2013	
2014	
2015	
2016	
2017	
2018	
2019	

2

3

4 A. These costs are provided in column four "Island Interconnected" of the table titled:
5 Conservation and Demand Management Expenditures by Hydro Rural System in
6 response to NP-NLH-104. No costs are provided beyond 2016 because the current
7 joint utility Five-Year Energy Conservation Plan ends at 2016.
