

1 Q. **Reference: RFI NP-NLH-091 - Asset Retirement Obligations (ARO)**

2 **Reference: Application Section 3.8.5.1, page 3.32, lines 6 - 7**

3 Please provide the engineering report to support the \$2.7 million ARO for  
4 elimination of equipment containing PCBs.

5

6

7 A. Hydro did not complete an external engineering report for the elimination of  
8 equipment containing PCBs. The estimate was completed by Hydro and the  
9 supporting schedules were included in NP-NLH-091.
