Subject: RE: NLH - 2013 GRA - Hydro's Notice of Amended Filing - Request for Comments

Dear Ms Blundon,

Thank you very much for your email and voicemail from today, notifying Innu Nation of Hydro's Notice of Amended Filing.

We acknowledge receipt of your email and voicemail and of Hydro's above-cited Notice.

Innu Nation has no objections to the Notice, provided that:

1. Cost recovery is provided to the parties for the costs of work done by the parties so far, as the work is unlikely to be applicable to the amended filing. In particular, Innu Nation which is not resourced for participating in this hearing, Innu Nation will need to be compensated through an interim cost order, rather than to wait until the end of the proceeding based on the amended filing.
2. Innu Nation be awarded the difference between (a) the cost recovery rate that Hydro charges Mushuau Innu First Nation (the band government responsible for the reserve at Natuashish), and (b) the regulated rate, for the duration of the time between July 31, 2014 (when the hearing on the unamended filing would have ended) and the date when an order issues out of the amended filing, provided that the PUB at the latter hearing orders, or NLH agrees prior to the conclusion of that hearing, that Natuashish consumers to be treated as Hydro customers under the regulated rate regime.

All the best,
Senwung
