

CA-NLH-174
2013 NLH General Rate Application

Page 1 of 1

1 Q. (Re: Response to CA-NLH-70) The report in Exhibit 11 states "Hydro and NP agree to
2 propose changes to the wholesale demand and energy rate to accommodate a
3 change in the treatment of NP's curtailable load at Hydro's next GRA". Please
4 confirm that changes to NP's demand and energy rate to accommodate a change in
5 the treatment of NP's curtailable load have not been proposed by Hydro and NP at
6 this GRA.

7

8

9 A. It is confirmed that changes to NP's demand and energy rate to accommodate a
10 change in the treatment of NP's curtailable load have not yet been proposed by
11 Hydro or NP at this GRA.
