

1 Q. Re: IC-NLH-16, Attachment 1. Please provide similar graphs to Figure 5-1, Figure 7-1
2 and Figure 7-2 for capacity, based on either MW or LOLH (hr/yr).

3

4

5 A. Table 1 and Table 2 are similar graphs to Figure 5-1 and 7-1, for capacity, based on
6 MW (Net Capacity versus Peak Demand). Table 1 indicates Net Capacity with no
7 future changes in the system and Table 2 indicates Net Capacity with a preliminary
8 expansion plan.

9

10 With sanction of the Muskrat Falls Project and Labrador-Island Link in 2012, Figure
11 7-2 is no longer relevant.

Table 1
Interconnected Island Net Capacity vs. Load forecast

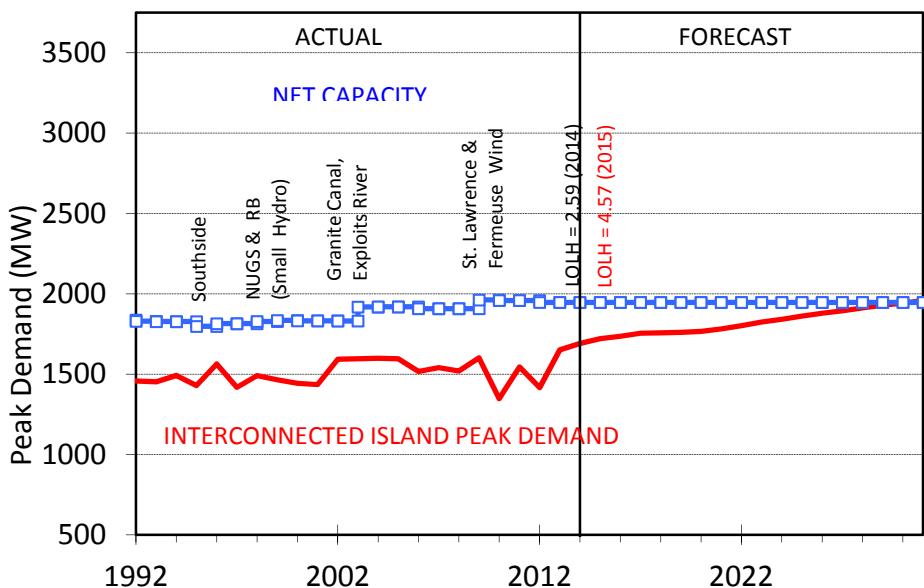

Table 2
Preliminary Interconnected Island Expansion Plan vs. Load Forecast
