

1 Q. **Re: IN-NLH-071, att. 1, page 3 of 3**

2 Please explain the “2nd Energy Credit” and how it is calculated.
3
4

5 A. The 1st Block Energy Credit is calculated in accordance with Article 1 of the Upper
6 Churchill Redress Agreement (UCRA), effective November 18, 2011 between the
7 Province of Newfoundland and Labrador, Nalcor Energy, Innu Nation, Mushuau
8 Innu First Nation and Sheshatshiu Innu First Nation. The calculation is the product
9 of the effective approved energy charge of Domestic Rate No. 1.1 L and the
10 applicable monthly First Block energy amount set out in the table for the effective
11 approved Rate No. 1.2D. A copy of the current effective Rates No. 1.1L and 1.2D
12 are provided as IN-NLH-212 Attachment 1 and IN-NLH-212 Attachment 2,
13 respectively.
14

15 The 2nd Energy Credit is identical to the 1st Block Energy Credit that is being applied
16 to Hydro electricity bills of Innu Nation members who are residential domestic
17 customers at Sheshatshiu. At the request of the Innu Nation, this 2nd Energy Credit
18 became effective January 1, 2012. As with the 1st Block Energy Credit, the 2nd
19 Energy Credit is being applied by Hydro on behalf of and funded by the Innu Nation.
