2            What is the amount of non-program CDM costs being allocated to Newfoundland  
3            Power through the Rural Deficit allocation in the 2013 Test Year?  
4  
5  
6    A.    Although it cannot be determined what specific categories of costs in the rural  
7            deficit areas are being recovered through rural revenue compared with those  
8            included in the rural deficit, approximately \$105,000 in non-program CDM costs  
9            were allocated to rural deficit areas.
