

1 Q. **Reference: Section A, Application, bullet 31(15), page 7**

2 It is proposed “that Hydro be permitted to amortize the recovery over a three-year  
3 period of an estimated \$1 million in Board, Consumer Advocate and other approved  
4 costs related to the application”. Please provide the estimate for each of the three  
5 categories.  
6

7  
8 A. Hydro did not complete a detailed breakdown by the Board, Consumer Advocate  
9 and other parties. The total estimated hearing costs and allocation between parties  
10 is dependent upon the circumstances of the hearing.  
11

12 As the costs of the hearing, including any cost awards, will not be finalized prior to  
13 this Decision and Order, Hydro intends to propose that any differences from the  
14 proposed \$1 million will be adjusted in the final deferral amount.
