**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services

Dear Ms. Blundon:

**Re: Newfoundland and Labrador Hydro Combined Applications – Installation of Diesel  
Units at Holyrood for the Purposes of Black Starting the Generating Units and  
Supply, and Install 100 MW (Nominal) of Combustion Turbine Generation**

Further to correspondence from the Board dated June 11, 2014 requesting comments for Hydro's request for filing an extension, this is to advise that the Island Industrial Customer Group has no objection to Hydro's extension request.

We trust this is in order.

Yours truly,

Stewart McKelvey
