Dear Ms. Blundon:

Re: Newfoundland and Labrador Hydro Combined Applications – Installation of Diesel Units at Holyrood for the Purposes of Black Starting the Generating Units and Supply, and Install 100 MW (Nominal) of Combustion Turbine Generation

In relation to the above-noted matter and further to correspondence from the Board dated June 11, 2013 requesting comments for Hydro's request for filing an extension, this is to advise that Vale Newfoundland & Labrador Limited has no comment to make with regard to the request for the extension.

A copy of this letter has been forwarded directly to the parties listed below.

If you have any questions, please contact the undersigned at your convenience.

Yours very truly,

Leanne M. O'Leary
