

1 Q. (Re: Responses to CA-NLH-8 and CA-NLH-9) Please provide an update of the
2 responses to CA-NLH-8 and CA-NLH-9 which request the impact in percentage and
3 dollar terms that the diesel plant capital and lease costs would have on rates and
4 Hydro's return under the scenarios presented.

7 A. There have been no changes to costs on the blackstart diesel project since Hydro's
8 responses to CA-NLH-008 and CA-NLH-009.
