

1 Q. Provide copies of all opinions, reviews, reports, studies and assessments
2 commissioned or obtained by Hydro internally, or commissioned or obtained by
3 Hydro from external sources, which address or discuss, in any respect, the
4 installation of a new combustion turbine at the Holyrood site (or at another site).

5

6

7 A. An application concerning the solution to the 2015 capacity deficit is currently being
8 prepared for submission to the Board by the end of March 2014. Should a new
9 combustion turbine be one of the chosen options, the pertinent information will be
10 included in the submission at that time.
