6 A. Please refer to Hydro’s response to CA-NLH-010. The beginning date for the 2013-
7 2014 operating season occurred upon start-up and operation of the first unit on
8 September 26, 2013. The ending date has yet to be determined but will likely occur
9 when units are no longer required in the late spring or early summer of 2014.
