

1 Q. Does Hydro plan to adjust its 2013 Test Year costs in its general rate application to
2 account for any of the expenditures for which approval has been requested in this
3 application?

4

5

6 A. There are no blackstart diesel unit costs in Hydro's 2013 Test Year. Please refer to
7 Hydro's response to NP-NLH-006 for Hydro's planned treatment of these costs.
