

1 Q. What costs to the system, if any, have been documented by Newfoundland and
2 Labrador Hydro as being directly or indirectly attributable to the lack of black start
3 at the Holyrood Thermal Generating Station since 2011?

6 A. Please refer to Hydro's response to PUB-NLH-007. Hydro has not determined the
7 costs directly or indirectly attributable to the one instance of lack of blackstart
8 experienced since 2011.
