

1 Q. Please provide dates, details and results of discussions with Newfoundland Power  
2 Inc. regarding the development of this project and the preferred alternative.

3

4

5 A. Hydro does not retain records of many discussions between Hydro staff and its  
6 customers, and has no documentation available to provide in response to this  
7 request for information. The issues and alternatives have been discussed with NP  
8 staff.
